⑤ 解答 〈解答例1〉 One electronic gadget I often use is my smartphone. I got it last year, and I use it for many things, such as checking emails, messaging my friends, and browsing the internet. It also helps me take photos, listen to music, and use various apps for daily tasks. I find it very useful and important in my

daily life. (50～70 語)

〈解答例 2〉 One electronic gadget I often use is my laptop. I got it two years ago. I use it for tasks, study, and entertainment. It helps me write documents, browse the internet, and watch movies. The laptop is very useful because I can take it anywhere and use it for many tasks. I use it almost every day. (50～70 語)
